- 2) The contract pertains to the contract for construction related services for Henderson County.
- 3) Asphalt Stone Company was selected using Contractor-Sub Contractor Agreement.
- 4) The disclosure form submitted on behalf of Asphalt Stone Company indicates the following:
 - a. James C. Davidsmeyer, an individual maintaining an ownership interest of at least 5% in Asphalt Stone Company, has disclosed that his wife, Peggy S. Davidsmeyer, is employed by the Illinois Department of Human Services. She does not earn an income/compensation in excess of 60% of the Governor's salary for this position and did not influence the competitively sealed bidding process.

Review and Comment

After careful review of the documentation provided, I do not view the relationships disclosed above as creating a conflict of interest sufficient to preclude the Illinois Department of Transportation from entering into a contract with Asphalt Stone Company for the services outlined in your letter received July 10, 2013.

RE: Conflict of Interest Disclosure Asphalt Stone Company, Sub-Contractor for contract 68409 from the January 18, 2013 letting

Mr. Carter:

Attached is a conflict of interest form for Asphalt Stone Company, a sub-contractor for William Charles Construction Company, LLC (William Charles), the lowest responsible bidder who was also responsive for a construction contract advertised on the January 18, 2013 letting by the Department of Transportation. Prime Contract 68409 consists of construction related services in Henderson County, and includes: constructing a new 5.8 mile four lane expressway in Henderson County from just west of TR 111 to just west of TR 198 located south of Biggsville. Asphalt Stone Company will be installing rumble strips, performing earthwork, and performing HMA removal.

William Charles was selected via competitively sealed bidding process. A description of the contract and low bid amount is enclosed with this letter and conflict of interest checklist. This contract is in the Department's interests of maintaining safe passageway to ensure the safety of the motoring public.

James C. Davidsmeyer, an individual maintaining an ownership interest of at least 5% in Asphalt Stone Company, has disclosed that his wife, Peggy S. She does not earn an income/compensation in excess of 60% of the Governor's salary for this position and did not influence the competitively sealed bidding process.

This conflict has been reviewed by our office, and it has been determined that this is not an actual conflict and will not interfere in the execution of this contract.
